Welcome to St Margaret Clitherow Catholic Primary School

Thank you for joining us. Whether you know our community already or this is your first visit, we're honoured to share with you who we are — a school rooted in faith, kindness and high aspirations for every child.

Warm, inclusive community

Ambitious curriculum

St Margaret Clitherow — A place to belong

TA tour & Q&A follows this presentation

Our Catholic Ethos

Rooted in love, service & joy

Our Catholic identity shapes daily life — not just in RE, but in relationships, choices and how we care for one another. Children are taught they are known, loved and valued; kindness and service are celebrated.

Liturgy & Worship

Child-led worship, class liturgies and feast day celebrations that encourage belonging.

Faith in Action

Charity work and community outreach that put gospel values into practice.

Our ethos is inclusive — families of all faiths and none are welcomed. Respect, dignity and compassion guide our community.

A Warm, Nurturing Community

Where every child is seen and heard

Parents consistently say the school feels calm, welcoming and safe. Staff know each child as an individual — their strengths, worries and personalities — and work closely with families to support wellbeing and emotional development.

Regulation spaces & visual supports
Practical areas that help children manage emotions and focus

Wellbeing first

Partnership with families
Regular communication, workshops and collaborative support

A community where children grow emotionally as well as academically

High-Quality Teaching & Ambitious Curriculum

Progressive learning from Early Years to Year 6

Our curriculum is broad, engaging and carefully sequenced. We set high expectations and adapt teaching so every child can succeed.

- Strong phonics & early reading — solid foundations for lifelong literacy.
- High expectations for all learners with tailored support to meet individual needs.
- Broad curriculum including music, art, science, PE, computing and outdoor learning.

Teachers carefully adapt lessons so every child makes progress. We cultivate curiosity, questioning and a love of learning that lasts.

Outcomes we're proud of

Confident readers, articulate speakers, and young people ready for the next stage of learning.

Inclusion, Behaviour & Community Links

Every child supported to thrive

Inclusion as a strength

Inclusion is built into our approach. We work closely with families and external professionals so all children can access learning and flourish.

Behaviour & Relationships

Expectations are rooted in Gospel values: kindness, respect and responsibility. Classrooms are calm and purposeful — trust between staff and pupils is central to learning.

Strong partnership with St Margaret Clitherow Church and local Tonbridge initiatives — children participate in parish events, charity drives and community projects.

Experiences, Outcomes & Next Steps

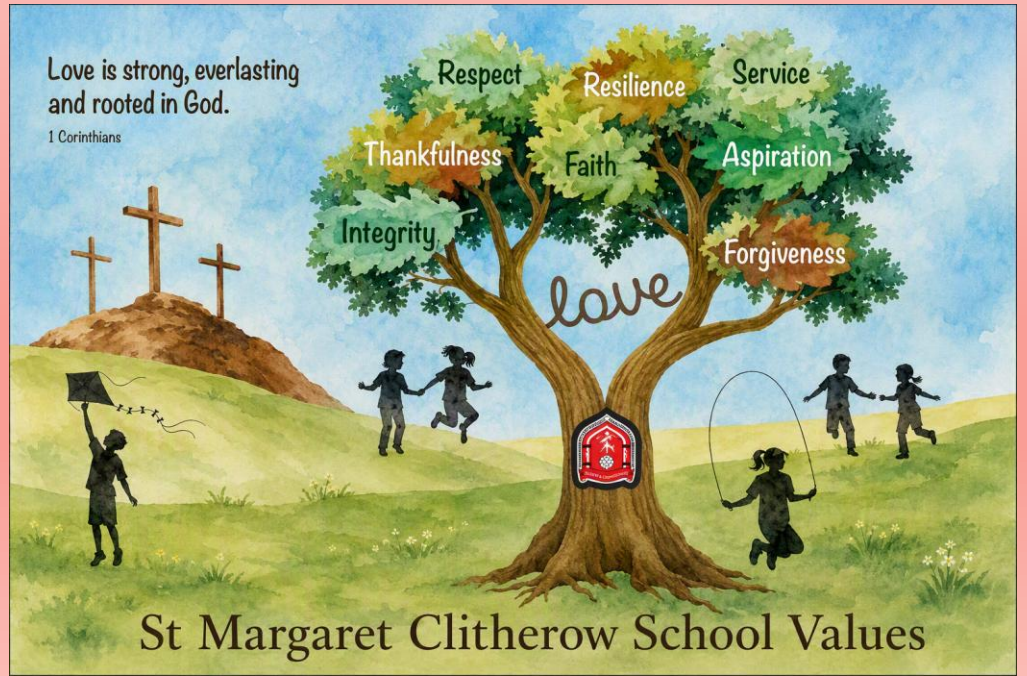

What your child will gain

What children leave with

Confident readers & curious learners
Strong foundations and a love of learning

Kindness & strong relationships
Rooted in gospel values and community life

Skills for life
Leadership, teamwork, resilience and creativity

How to find out more

Please take a walk around the school, speak to staff and children, and join our Q&A after this presentation. We would be honoured to welcome your family.

St Margaret Clitherow Catholic Primary School

Thank you

Please explore our school, speak to staff and children, and ask us questions. We look forward to answering your questions and welcoming your child into our community.
